PALMERTON AREA SCHOOL DISTRICT

December 14, 2020

Palmerton Area School District Parents & Guardians,

In anticipation of this week's major snow event, I wanted to provide you with information so that you could plan accordingly.

Wednesday, December 16:

- This will be a regular school day for students.

Thursday, December 17 and Friday, December 18:

- All students will follow a consolidated schedule on both of these days.

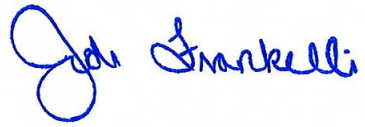
Frequently Asked Questions:

Questions	Answers
What does the consolidated schedule for Thursday and Friday look like?	• Information/Details will be provided by your child's teacher via Schoology. • Please note that schedules may vary by building. For example, a junior high school student's schedule may look different than a high school student's schedule. • Both days will consist of synchronous and asynchronous learning activities. • The consolidated schedules created at each building provide a balance between instructional activities for our students while also allowing them time get outside and enjoy the snow.
Is attendance required?	Yes. Because these are instructional days (not snow days that would require a make-up day), attendance is required as it is on all instructional days.
What happens if we lose power or internet at my house?	• Please call your child's school and leave a detailed voicemail and/or email the teacher or principal. If you do this, attendance will be excused if there is a long-term power outage at your home.
What happens if I am having technology-related issues at home during the storm?	• School-related technology issues should be directed to tech.dept@palmerton.org. • Internet issues should be directed to your service provider.

I am scheduled to pick-up meals on Thursday. Now what?	• Thursday's food distribution is cancelled. If you signed up to receive meals this week, you will pick-up all of your food for the entire week on Tuesday. • Note: Several food items will be frozen for safety and quality purposes. • If you have questions, please email Rose Levan at rlevan@palmerton.org.

If you have questions, please contact your child's building principal.

Thank you,



Jodi Frankelli, Ed.D.
Superintendent
