

# Anthracite Region Center for Independent Living

**WE ARE HERE TO HELP YOU REACH YOUR GOALS AND ASPIRATIONS**

---

ARCIL will be available to offer trainings to Transition age youth/young adults 14-28. and staff that work with them. We will offer the following training opportunities to a limited number of school districts, IU's, and other entities throughout our 11 county areas:

- Disability Awareness
- Secondary Transition from the PYLN (PA Youth Leadership Network) training handbook
- Secondary Healthcare transition training from PYLN
- And Others

We are available to work with Transition Councils, Youth Organizations focused around Transition, and schools (assemblies/act 80 days for staff). We are also available to consult with community organizations that work with youth and wish to be more welcoming of Individuals with disabilities.

Funded by the Office of Vocational Rehabilitation and  
The State Independent Living Council
