

**Palmerton Area School District
Parental consent for health information
to be shared between the nurse and the staff**

Currently, the law does not allow the nurse to share any health information with teachers unless parents sign a written consent. For the safety of your child it is important that the staff is aware of your child's health status. Any information that you provide will be kept confidential for staff knowledge only.

Student's name _____

As the parent or guardian of the above named student, I give the nurse permission to notify my child's teachers and other appropriate staff members about health concerns during the school year. Likewise, the staff has permission to notify the nurse of medical conditions should any arise.
