

October 14, 2019

Dear Parents / Guardians,

Even though we are very early in the school year, it is not too soon to clarify the changes regarding our course recovery program. With the changes, students will be required to attend the program every day. There will be no exceptions to this change without a doctor's note.

Students will be limited to two summer recovery courses during their four year tenure at the Palmerton Area Senior High School. The computer system / program will only be available between the hours of 8:00 AM to noon (12:00 PM). Students must earn a total minimum grade of 70% on the assignments to complete a course. Every one of the course assignments must be completed.

The Keystone courses (Biology, Algebra I, and English) may **not** be taken as part of the summer recovery program.

Thank you for your attention to these important changes.

Sincerely,

Paula A. Husar  
Principal Palmerton Area Senior High School
