

Dear Freshman Parents,

Our school year has gotten off to a good start. By now, you should have received your child's first marking period report card. If you have any questions, please do not hesitate to contact us. You should have also received your child's PSSA scores from last year (grade 8) as well as the Keystone test scores (if your child took the keystones). Again, if you have any questions, please do not hesitate to contact us.

On November 7 at 12:30 PM, the ninth grade class will be taking a trip to the Carbon Career & Technical Institute (CCTI) to tour the facility. The vo-tech school is a comprehensive technical institute that offers academics and hands-on learning opportunities for the students. All of the ninth grade students will make this trip unless a parent signs off that they do not want their child to attend. At the high school, classes will run as normal that day.

If you do **NOT** want your child to take part in the visit, please check the box below and return this form to the guidance office at the high school no later than Monday, November 4.

If you have questions about the visit, please call the guidance office at 610 826-3155 ext. 2228 or the high school principal at 610 826-3155 ext. 2214. Thank you for your attention to this matter.

Sincerely,

Paula A. Husar
Principal

cc: Interim Superintendent
Ms. Vicki McHugh (Grade 9 guidance)
Mr. Brent Borzak - CCTI Principal

I do not want my child to participate in the November 7, 2019 CCTI visit.
