

Useful Websites for Educators of Gifted and Talented Children

General:

<http://www.adifferentplace.org/index.html>

This site has a variety of differentiated activities across content areas. It is full of resources and also has a section for parents and kids.

http://www.internet4classrooms.com/grade_level_help.htm

This site is awesome! It has interactive websites grouped by grade level (K-8) and content area. My favorite!!

Another interactive site for students K-8 across content areas

<http://www.odysseyofthemind.com/>

The Odyssey of the Mind site offers many ideas to foster creative thinking in your classroom. The "Practice Problems" and "Classroom Activities" sections could be used with all of your students.

<http://www.hoagiesgifted.org/>

This site provides information on the special needs of gifted youth, special programs available, and other topics in gifted education. Children will find contests, reading lists, and entertaining activities. This site has something for everyone.
