

Daily Employee Wellness Questions

The Palmerton Area School District is taking proactive steps to ensure the safety of everyone in our schools during this infectious disease outbreak. To assist us with this goal, we are requiring all employees to screen themselves each morning prior to coming to work.

Employees Health Screening Questions

As of March 20, 2020, the CDC has recommended regular health screenings of temperature and respiratory symptoms upon arrival each day in many places. Since exposure to COVID-19 is not necessarily a medical condition, questions regarding exposure are permissible as per CDC guidelines. Please answer the Daily Employee Wellness Questions (below) each morning before reporting to work.

IF YOU ANSWER “YES” TO ANY OF THE FOLLOWING QUESTIONS, PLEASE CONTACT YOUR DIRECT SUPERVISOR FOR FURTHER INSTRUCTIONS PRIOR TO REPORTING TO WORK. YOUR SCHOOL NURSE MAY BE OF ASSISTANCE AS WELL.

QUESTION 1:

Do you presently have any [symptoms of COVID-19](#)?

(fever of 100 or higher, cough, shortness of breath or trouble breathing, nausea or vomiting, diarrhea, lack of smell or taste, sore throat, chills, muscle pain, headache, congestion or runny nose, fatigue)

QUESTION 2:

Have you had any of the above signs or symptoms in the past two weeks?

QUESTION 3:

Please take your temperature now. Is it 100 F or above?

QUESTION 4:

Are you presently caring for or living with someone who has been diagnosed with COVID-19?

QUESTION 5:

Have you been in close contact with someone who has been diagnosed with COVID-19?
