

## Daily Student Wellness Questions

The Palmerton Area School District is taking proactive steps to protect our schools during this infectious disease outbreak. We want to ensure the safety of your child, other children, and our employees. To assist us with this goal, **we are requiring all parents/guardians to pre-screen your child/children every morning.**

### Student Health Screening Questions

As of March 20, 2020, the CDC has recommended regular health screenings of temperature and respiratory symptoms. Since exposure to COVID-19 is not necessarily a medical condition, questions regarding exposure are permissible as per CDC guidelines. Please answer the Student Wellness Screening Questions below to the best of your ability.

**IF YOU ANSWER “YES” TO ANY OF THE FOLLOWING QUESTIONS, PLEASE CALL AND SPEAK WITH YOUR CHILD’S SCHOOL NURSE FOR FURTHER INSTRUCTIONS AND DIRECTIONS BEFORE SENDING YOUR CHILD TO SCHOOL.**

#### QUESTION 1:

Does your child presently have any signs or symptoms of COVID-19 (fever of 100 or greater, cough, shortness of breath or trouble breathing, nausea or vomiting, diarrhea, lack of smell or taste, sore throat, chills, muscle pain, headache, congestion or runny nose, fatigue)

#### QUESTION 2:

Has your child had any of the above signs or symptoms in the past two weeks?

#### QUESTION 3:

Please take your child’s temperature now. Is it 100 F or above?

#### QUESTION 4:

Is your child living with someone who has been diagnosed with COVID-19?

#### QUESTION 5:

Has your child been in close contact with someone who has been diagnosed with COVID-19?
