Student Name

Dear Parent / Guardian,

Hello. As we approach the end of our fourth marking period, we are beginning to focus on our plans for our graduation ceremony on June 7. (The rain date is June 8.) It has been brought to my attention that your child is in jeopardy of not graduating with the Class of 2021.

Graduation is a tremendous milestone. However, it is one that has to be earned. Please know that we value this tradition and do not permit any student who has not earned the appropriate number of credits to take part in the ceremony. In many cases this year, the reason for failure is attendance, work completion, and school attendance while virtual. I implore you to contact your child's guidance counselor to make an appointment for either an in-person meeting, a telephone conference, or an online / virtual meeting.

We will accommodate any and all requests. Mrs. Schaffer can be reached at 610 826-3155 extension 2227. I can be reached at the same number - extension 2214.

We look forward to hearing from you.

Sincerely,

Paula A. Husar
Principal
