Keystone Testing – In School Students

Dear Parents / Guardians,

On May 17-20 and May 24-25, many of our high school students will be participating in the Keystone Exams. These tests are assessments done at the end of particular courses. They are required for students who have had Mathematics (Algebra I), Science (Biology), and English 10 (Literature) classes and who have yet to score a level of “Proficient” in these tests. (These tests were cancelled last Spring due to the COVID Pandemic.) The tests are designed to determine proficiency in these subject areas. The results give us useful information to help us evaluate curriculum, teaching, student engagement, and effort. These tests are also part of the mandated requirements issued by the commonwealth. The test scores will also be reported on student transcripts. Students will be scored as Advanced, Proficient, Basic, or Below Basic.

In person students will be following this schedule.

Algebra: Monday (May 17) & Tuesday (May 18)

Biology: Wednesday (May 19) & Thursday (May 20)

Literature: Monday (May 24) & Tuesday (May 25).

There will be no change to the bus schedule during the testing dates. Students will test during the normal school day.

We are always trying to find ways to ensure that our students have optimal test taking conditions. This is much more difficult this year due to our learning platform changes resulting from the COVID situation. All of these tests will be taken in the auditorium. They will be proctored by the guidance counselors and the principal. As a parent, you can help by making sure that your child gets plenty of rest each night before the test. Also, please make sure that they eat a good breakfast before coming to school.

During the actual tests, students are not permitted to have any electronic devices. If they enter the auditorium with an electronic device, we are required by the commonwealth to collect it. We do not have the option of simply telling them to put it in their locker. We are required to collect it. The device will be returned after the exam is completed. Here is the related statement from the Pennsylvania Department of Education ... “In an era of cell phones, smartphones and other electronic devices which can easily photograph and instantly share photographs, confidential and secure test materials can easily be compromised.” “Penalties for violations of the Copyright Act may include the cost of replacing the compromised test item(s) or fines of no less than \$750 up to \$30,000 for a single violation.” Please remind your child of this restriction.

As always, students will be able to have bottled water during the testing process. We will also provide a small snack to the students along with pencils and erasers.

We ask that you make sure that your child is in school on the applicable test days. Make-ups are not conducive to positive test taking results. Your child will be notified of the testing schedule.

As a parent or guardian, you have the right to review the Keystone exams. Please make an appointment with the guidance office to review the test(s) on Thursday (May 13) or Friday (May 14). If you review the tests and believe that there is a conflict with your religious beliefs, you must notify the Superintendent of Schools in writing outlining the conflict.

Here is her address ...

Dr. Jodi Frankelli
Superintendent of Schools
680 Fourth Street
Palmerton, PA 18071

If you have any questions, please do not hesitate to contact us.

Sincerely,

Paula A. Husar
Principal
