Go to www.danscamera.com/pictureday

Proceed to fill out your order by completing all fields on the form. You will need to do a new order for each child. Only credit card payments are accepted for online orders. There is no need to print out the receipt. After picture day, package prices will increase and orders must be picked up at Dan's Camera City at no cost or mailed back for an additional fee.

LATE ORDERS: Any orders received after the due date are considered late and will incur an increase in package prices. In addition to the late fee, finished orders will need to be picked up at Dan's retail store, or be subject to shipping charges to have the order shipped directly to you. If you do not place your order by Picture Day, your student will receive their specific ordering code needed to place a late order approximately 3 weeks after Picture Day.
