

From the Desk of the Principal ...

This past weekend, the Palmerton Area Senior High School celebrated Homecoming. On Thursday night, our Student Council provided entertainment with a Powder Puff football game followed by our Bonfire. We then enjoyed a Pep Rally on Friday. Everyone agreed that it was great having kids be kids again. It was so much fun for everyone. They definitely missed so much over the last year and a half.

We celebrated Homecoming on Friday night at the football game with a special ceremony before the kickoff. We had a Shirt Off Your Back event that combined athletics and academics. We had our senior football players identify a specific faculty member who had inspired them during their high school years. The selected teachers were presented with a t-shirt that had the name of the student who had personally selected them emblazoned on the back of the shirt. The students and their mentor are listed here.

We are proud of our senior football players and our staff members who had such a positive influence on the students during their high school career.

After our Pep Rally, the students voted for the Homecoming Court. The results were announced at half-time of the football game. Harrison Dailey was selected as the Homecoming King and Grace Heist was selected as the Homecoming Queen.

The Homecoming Dance was held on Saturday night for all of the Palmerton students. The dance was sponsored by the senior class and their advisor, Mr. Craig Borland. Special thanks to Mr. Borland and the class officers for all their hard work. While many schools cancelled dances and other Homecoming events, we believed that it was an integral part of our school and our community. We are the Blue Bombers!

We also want to thank our Superintendent and the Palmerton Area School Board for their support.
