Checks should be made payable to Palmerton Area School District. The coursework will be available online 24 hours a day / 7 days a week. Students may have to work on their own to complete the coursework, particularly if they are taking two classes. **Students can finish the coursework early. However, they are required to be present at school on the days / times noted here.** If you know that your child will not make it on the applicable days / times, please do not have them sign up. If your child has received a semester grade less than 50%, they are not permitted to take the credit recovery class as it is a shortened version. They will not have a sufficient grasp of the material to be successful. However, there are still other options available for your child.
