

## Superintendent Goals

- ✪ To update and/or create district documents and manuals that are necessary to provide clear and consistent information, rules and regulations, and/or guidance to PASD employees and other stakeholders
- ✪ To create documents that assist the District with instructional and/or fiscal planning information and guidance
- ✪ To build and increase instructional leadership capacity within the organization
- ✪ To monitor student progress and provide supplemental programs and learning opportunities to help combat COVID-related deficits
- ✪ To review, expand, reshape, and/or refocus the area of student services in the District
