

Current District/Superintendent Multi-Year Goals

Goal #1:

To continue creating and updating district documents, manuals, and procedures that are necessary to provide clear and consistent information, rules and regulations, and/or guidance to PASD employees and other stakeholders

Goal #2:

To review, modify, and improve safety and security measures to ensure that employees and students are prepared to effectively respond to District emergencies and incidents

Goal #3:

To foster and strengthen partnerships with local organizations to create opportunities for District students and families

Goal #4:

To create meaningful ways to recognize and highlight the positive accomplishments of our students and employees

Goal #5:

To create an alumni database to foster educational and fiscal partnerships with PASD graduates and retirees
