PALMERTON AREA HIGH SCHOOL DISTRICT
ATHLETIC PARTICIPATION HONOR AND DISCIPLINE CODE (2024-2025)

I. INTRODUCTION

A. The Palmerton Area School District Athletic Participation Honor Code shall govern all students, on and off-campus, during the time they are participating in an athletic program as identified and created from time to time at the Palmerton Area School District.

B. The purpose of Palmerton's athletic program is to add to our students' mental, physical, social, emotional, and ethical well-being. It is a positive step in preparing and enriching our athletes in becoming productive young adults.

C. Participation in athletics at Palmerton Area School District is a privilege and not a right. In the exercise of this privilege, all students shall comply with the Palmerton Area School District Athletic Participation Honor Code beginning with the first day of each athletic season. As a condition and precedent to a student's participation in the first scrimmage or contest of each season, the student and his or her parent/guardian shall acknowledge receipt of, and agree to abide by, this Honor Code by signing and returning to their coach the attached Consent Form.

D. A coach may also distribute a separate disciplinary code, which shall govern athletes who participate in a particular sport that may have tougher penalties but never less than this policy. Such a disciplinary code must first have the approval of the athletic coordinator.

E. The Palmerton Area School District Athletic Participation Honor Code shall serve as a supplement to the Palmerton Area School District Student Conduct Code.

II. ACADEMIC ELIGIBILITY POLICY PHILOSOPHY

A. The athletic programs offered in grades 7-12 at Palmerton Area School District are an important and integral part of the total school program for each student. It is the goal of Palmerton to educate each child to the best of his or her ability. Because of our strong commitment to scholastic excellence and our philosophy of serving students, academic eligibility standards have been developed for all extra-curricular and athletic programs.

Communication Guidelines for the Student-Athlete, Parent / Guardian, and Coaches

Both parenting and coaching are extremely difficult jobs. By establishing and understanding each position, we are better able to accept the actions of the other and provide great benefit to children. As a parent / guardian, you have a right to understand what expectations are placed on your child when they become involved in our programs. This begins with clear communication from the coach.

A. Communication you should expect from your child's coach.

- ☞ Philosophy of the coach and program.
- ☞ Expectations the coach has for your child and the entire team.
- ☞ Locations and times of all practices and contests.
- ☞ Team requirements, special equipment, off-season expectations, etc.
- ☞ Procedures if your child is injured during participation.
- ☞ Disciplinary action(s) that may result in the denial of your child's participation.

B. Communication coaches should expect from parents / guardians.

- ☞ Concerns expressed directly to the coach only after the student-athlete has talked with the coach.
- ☞ Notification of any schedule conflicts well in advance.
- ☞ Specific concerns regarding a coach's philosophy and/or expectations.

As your children become involved in programs at the Palmerton Junior High School and High School, they will experience some of the most rewarding moments of their lives. It is important to understand that there also may be times when things do not go the way you and your child wish. At these times, discussion with the coach is encouraged.

C. Appropriate concerns to discuss with coaches.

- ☞ The treatment of your child - mentally and physically.
- ☞ Ways to help your child improve.
- ☞ Concerns about your child's behavior.

It is very difficult to accept your child's not playing as much as you may hope. Coaches are professionals. They make judgment decisions based on what they believe to be the best for all students involved. Based on items listed above, certain things can and should be discussed with your child's coach. Other things must be left to the discretion of the coach.

D. Issues not appropriate to discuss with coaches.

- ☞ Playing time.
- ☞ Team strategy and/or play calling.

- ↵ Other student-athletes.

There are situations that may require a conference between the coach and a parent / guardian. These contacts are to be encouraged. It is important that both parties involved have a clear understanding of the other's position. When these conferences are necessary, the following procedure should be followed to help promote a resolution to the issue / concern.

E. Procedures to follow to discuss a concern with a coach.

- ↵ The student-athlete should meet with the coach first to attempt to resolve the matter. Coaches should support and encourage student-athlete independence. This first step is crucial in this endeavor.
- ↵ If a resolution is not reached, the parent / guardian should contact the coach to set up a meeting with the coach, the athlete and the parent / guardian.
- ↵ If a coach cannot be reached, please contact the Athletic Office at 610 826-3155 ext.2215 to assist in arranging a meeting.
- ↵ Please do not attempt to meet with a coach before or after a contest or practice. These can be emotional times for everyone. Meetings at these times do not necessarily promote resolution.

ALL concerned parties should follow the above steps. Failure to follow these steps may not end in a satisfactory resolution.

F. What can a parent / guardian do if the meeting with the coach did not provide a satisfactory resolution?

- ↵ Call the Athletic Office to set up an appointment with the Athletic Coordinator. The parent / guardian, athlete, coach, and Athletic Coordinator will meet to discuss the problem. At this meeting, the appropriate next step(s) will be determined.
- ↵ Parents / guardians are encouraged to discuss issues and problems with the Athletic Coordinator. However, if there are specific complaints regarding a coach, then the coach must have the opportunity to be present to meet with the parent / guardian.

ALL concerns should be addressed using these steps. Failure to follow these steps may end in an unsatisfactory resolution. Individuals who attempt to skip a level in the chain of command will simply be referred to the appropriate step in this process. It is important to note that when this process is followed, things generally work. We encourage an open and honest line of communication between our coaches, athletes, and parents / guardians.

PLEASE BE ADVISED THAT ONCE A STUDENT IS DISMISSED FROM ANY TEAM, HE / SHE FORFEITS ALL OF THE PRIVILEGES OF RECEIVING AWARDS, ATTENDING AWARDS BANQUETS / PROGRAMS, AND PARTICIPATING IN ANY OTHER ACTIVITIES INVOLVING THE TEAM

ABSENCE FROM PRACTICES AND/OR GAMES

Failure to comply with the commitment to practice and game schedules could seriously impact playing time. All athletes need to inform coaches of anticipated absences from practices and/or games.

How do you determine if an absence should be excused or unexcused? What is the priority of commitments?

One of the many lessons to be learned from athletic participation is the importance of making a commitment. Many commitments are more important than athletics and many commitments are less important than athletics. The type of commitment which causes the absence will determine whether the absence should be considered excused or unexcused. Excused absences include unforeseen family commitments (excluding vacations), religious commitments, academic commitments, and extracurricular commitments which logically demand the student's attendance. Every effort should be made by families to schedule vacations during the off season. If a family vacation does arise, a request for absence must be submitted to the Coach and then passed onto the Athletic Coordinator and the building Principal for consideration. Even if the absence is approved, the athlete may lose playing time as he/she will be missing valuable practice time. Coaches will ultimately determine the consequences for missing practices due to a family vacation or any other unexcused absence.

Excused Absence Quick Reference

- Injury
- Illness
- Academic commitment (SAT's, ACT's, College Visits/Orientations, AP Testing etc.
- Religious commitment
- Unforeseen family emergency

Unexcused Absence Quick Reference

- Skipping practice
- Skipping games
- In-season vacations
- School suspensions

Out of Season Participation

Please be advised that the Palmerton Area School District does NOT sponsor any out-of-season activities (summer camp participation, summer leagues, etc.). All out-of-season activities are run independent of the Palmerton Area School District. As a result, the district assumes no liability or responsibility for these activities. The district has no authority with regard to these activities as they are NOT school/PIAA-sponsored. You should also note that as these out-of-season activities are run independently of the school, the various coaches, advisors, and other staff may not have been approved by the Board of Education.

Athlete Attire for Away Events

Proper preparation for a game begins long before leaving for the away contest. Dressing properly for the game is a part of that preparation. Players should also remember that they are representing Palmerton Area School District and must always put their best foot forward.

The following are acceptable / suggested forms of attire for away contests:

- Uniform and/or Team issued warm-ups
- Formal attire (shirt, tie, khakis, skirt, blouse)

Name, Image and Likeness (NIL)

Students may receive Consideration for the use of their own name, image and likeness (NIL).

Such permissible activities include commercial endorsements, promotional activities, social media presence, product or service advertisements, and unique digital items/assets. NIL contracts/agreements need to come from analysis of the value an athlete brings for providing a specific service/activity, not as an incentive for enrollment decisions or membership on a team. No school or anyone employed by or affiliated with a member school, including booster clubs, coaches, collectives, administrators and alumni, may solicit, arrange, negotiate or pay for a student's, other than their own child, use of their NIL and/or the provision of Consideration to a student for the use of their NIL.

In engaging in NIL activities, students may not make any reference to PIAA or a PIAA member school (including the school and/or team name, nicknames, terms by which a school or team is commonly referred or identified, logo) and may not wear school uniforms or school-identifying apparel or items). Students may not endorse or promote any third-party entities, goods or services during team/school activities. Students may not wear the apparel or display the logo, insignia, or identifying mark of a NIL partner during any team/school athletic activities unless it is part of the standard school uniform for that sport. Students may not engage in any NIL activities involving, displaying or endorsing the following categories of products and services:

- (1) Adult entertainment products and services;
- (2) Alcohol products;
- (3) Casinos and gambling, including sports betting, the lottery, and betting in connection with video games, on-line games and mobile devices;
- (4) Tobacco and electronic smoking products and devices

- (5) Opioids and prescription pharmaceuticals;
- (6) Controlled dangerous substances;
- (7) Weapons, firearms and ammunition.

Within 72 hours after entering into any type of NIL contracts/agreements, a student, or the student's parents/guardians must notify the Principal or Athletic Director of the student's school of entering into that agreement.

COLLEGE SIGNINGS

Palmerton Area School District will hold 2 college signings for any senior who plans to continue their athletic career at a college or university (Division 1, 2, or 3). The signings will be held each year after the completion of Fall Sports and once in the Spring. Student athletes are encouraged to invite friends, family, high school coaches, college coaches, etc. Members of the media will also be invited by the Athletic Department. Once dates are confirmed, the Athletic Director will share with the information with the senior class.

Student-Athlete Social Media Agreement

Social Networking Policy

Social media can be a useful tool to communicate with teammates, fans, friends, and coaches. However, social media can also be dangerous if you are not careful. Every picture, link, quote, tweet, status, or post that you or your friends put online is forever part of your digital footprint. You never know when something will come back to hurt your reputation during the college search process, the sports recruiting process, or even a job search.

Recognizing the possibilities, as a student athlete ...

- ☞ I take responsibility for my online profile, including my posts as well as any photos, videos, or other recordings posted by others in which I appear.
- ☞ I will not degrade my opponents in any manner before, during, or after games.
- ☞ I will post only positive things about my teammates, coaches, opponents, and officials.
- ☞ I will only use social media to purposefully promote abilities, team, community, and social values.
- ☞ I will always consider "Is this the me I want you to see?" before I post anything online.
- ☞ I will ignore any negative comments posted about me and will not retaliate in any way.

- ✍ If I see a teammate post something potentially negative online, I will have a conversation with that teammate. If I do not feel comfortable doing so, I will talk to the team captain, a coach, or a school administrator.
- ✍ I realize that I represent my sport(s), school, team, family, and community at all times and will do so in a positive manner.

Anything posted on social media sites that violates the athlete code of conduct, drug and alcohol policy, and/or individual team rules may result in disciplinary action against the involved student athlete(s). The administration will determine the severity of the disciplinary action.

Parents or legal guardians and the student-athlete must sign the Palmerton Area School District Athletic Participation Honor Code Consent form and return it to the coach before participating in any team event.

This will assure the coach that the student-athlete and parent / guardian have read the Honor Code and agree to abide by it.

Palmerton Area School District Athletics Honor Code Consent Form

I have read the Palmerton Area School District Athletics Honor Code supplement to the Student Code of Conduct and agree to abide by the terms and standards set forth.
